

NUT BUTTERS

CREATE YOUR PERFECT

BLEND

GO AHEAD, GO NUTS.

When you source and use the best ingredients you get the best nut butters and fillings. That's what we do every day. With over 80 years of peanut and tree nut processing experience, we can custom blend a simple paste or a unique formula with up to nine inclusions.

CHOCOLATE & CANDY FILLINGS

We specialize in providing nut butter fillings for confectionery and candy customers, even organic.

We can customize filling formulations to meet your unique confectionery manufacturing requirements.

We can add up to nine inclusions to create the perfect flavor profile unique to your product.

We can manage your complete supply chain. From purchasing to production, to transportation, we are your turnkey solution.

R&D

Operating as your company's processing arm, our R&D team can create or customize formulations to delight your customers.

QUALITY

We are focused on quality every step of the way. With onsite testing capabilities, we meet or exceed even the most rigorous industry standards.

We offer a wide variety of glass and PET jars, pails and drums. Got a packaging idea of your own? We can help with that too.
